NTC GREAT LAKES (COMPLEX²) INSTRUCTION 5100.18G

From: Commander, Naval Training Center, Great Lakes

Subj: NAVAL TRAINING CENTER (NON-MARITIME) CONFINED SPACE ENTRY
PROGRAM

Ref: (a) OPNAVINST 5100.23E
(b) 29 CFR 1910.146

1. Purpose. To provide guidelines for the Naval Training Center (NTC) Confined Space Entry (CSE) Program for operations involving entry into, work in, on or adjacent to confined spaces, and to inform NTC personnel of the hazards and precautions required.
2. Cancellation. NTCGLAKESINST 5100.18F. This instruction has been revised and should be reviewed in its entirety.
3. Policy. Confined space operations involve many variables and combinations of hazardous circumstances which can contribute to poisoning, suffocating, fire or explosion hazards resulting in fatal or serious injury. Hence, hazardous conditions which can cause a person(s) to be poisoned, suffocated or may cause materials to burn or explode during confined space operations must be controlled and/or eliminated. NTC headquarters and its component activities shall actively support the CSE program.
4. Applicability and Scope. Provisions of this instruction apply to all NTC component activities. Civilian contractors will provide their own CSE program personnel with the required certificates.
5. Responsibility
 - a. The Commander, NTC (CNTC) is responsible for the program.
 - b. The NTC Safety Manager (N33) oversees the program for CNTC using references (a) and (b).

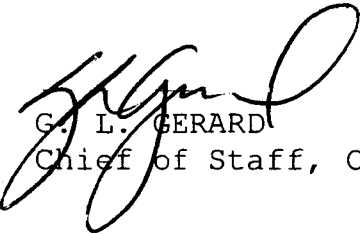

NTCGLAKESINST 5100.18G
17 JUNE 99

c. Commanding Officer, Public Works Center (PWC), is responsible to administer the CSE program for PWC operations and as requested by component and tenant commands.

6. Action

a. The guidelines contained in references (a) and (b) shall be observed.

b. All NTC CSE procedures and operations shall be conducted to meet all the requirements of references (a) and (b). To preclude duplication, references (a) and (b) requirements will not be restated.
